

Dear Director,

Cedar Point is proud to present your school with the opportunity to perform at our park for our guests on the day of your visit. Advance reservations are required. Performance dates and times are limited. We recommend you secure the date and time as soon as possible. We will do our best to accommodate all requests.

To secure a date you will need to first place a group ticket reservation with the Group Sales Office by calling us toll free at 1-800-448-2428, options 1, 1. Please identify yourself as a choir wishing to perform at the park. A performance is required for the special pricing. If your group is not performing, there are other group discount programs available that your group may qualify for. A deposit is not required for the ticket reservation. The group leader can pick up and pay for the tickets in full at the Group Sales Booth on the event date. Or receive your tickets in advance by prepaying three weeks before the event date and the tickets will be sent to you.

After the group ticket reservation has been made, your information will be forwarded to Cedar Point's Live Entertainment Department. You will also need to complete a Performance in the Park Application Form and a Music Play List Form. Both of these forms along with a short video (VHS, DVD, YouTube Address) that shows a sample of your group performing will need to be submitted to the Live Entertainment Department before the performance. Once the applications and video are received and the performance is approved, you will be contacted by a representative from our Live Entertainment Department to schedule the performance.

On the day of your performance please plan accordingly, allowing enough time to purchase your tickets at the Group Sales Booth and being at the performance location at least one half hour before the scheduled performance time. If you received your tickets in advance, the group leader will need to stop by Guest Services (no need to go to the Group Sales Booth) and a Guest Services Host will escort you and your choir to the performance area. If you need to purchase your tickets on the event date, the group leader will first need to go the Group Sales Booth and then go to Guest Services.

A member of our Live Entertainment will meet you and your choir at the performance location a half hour before your scheduled time. We are unable to make any adjustments to your setups within 48 hours of your performance.

If you have questions regarding your group tickets and admission, please contact the Group Sales Office. For questions regarding the performance, please contact the Live Entertainment Department at 419-627-2388.

Thank you for your interest in our programs; we look forward to working with you and hearing your group performance at Cedar Point this summer!
