

Cedar Fair Appearance Standards

The personal appearance of our associates is a very important part of Cedar Fair's overall image. People from all over the world come to our family-friendly parks and they expect our associates to be approachable, well-groomed and welcoming. To our guests, you are Cedar Fair. If you present a clean and professional appearance to our guests, their impression of you and your services will reflect the standards of quality we strive to maintain. With this goal in mind, Cedar Fair has established several appearance standards.

Cedar Fair is committed to the philosophy of equal opportunity employment in compliance with Title VII of the Civil Rights Acts of 1964. Requests for exceptions to Cedar Fair Appearance Standards for religious beliefs, or questions regarding the accommodation of medical restrictions, must be directed to a Human Resources representative.

Cedar Fair reserves the right to modify this policy at any time. Exceptions to these Standards may be required to comply with Health/Safety codes, job assignments or policies.
